

This Land and Livestock Life

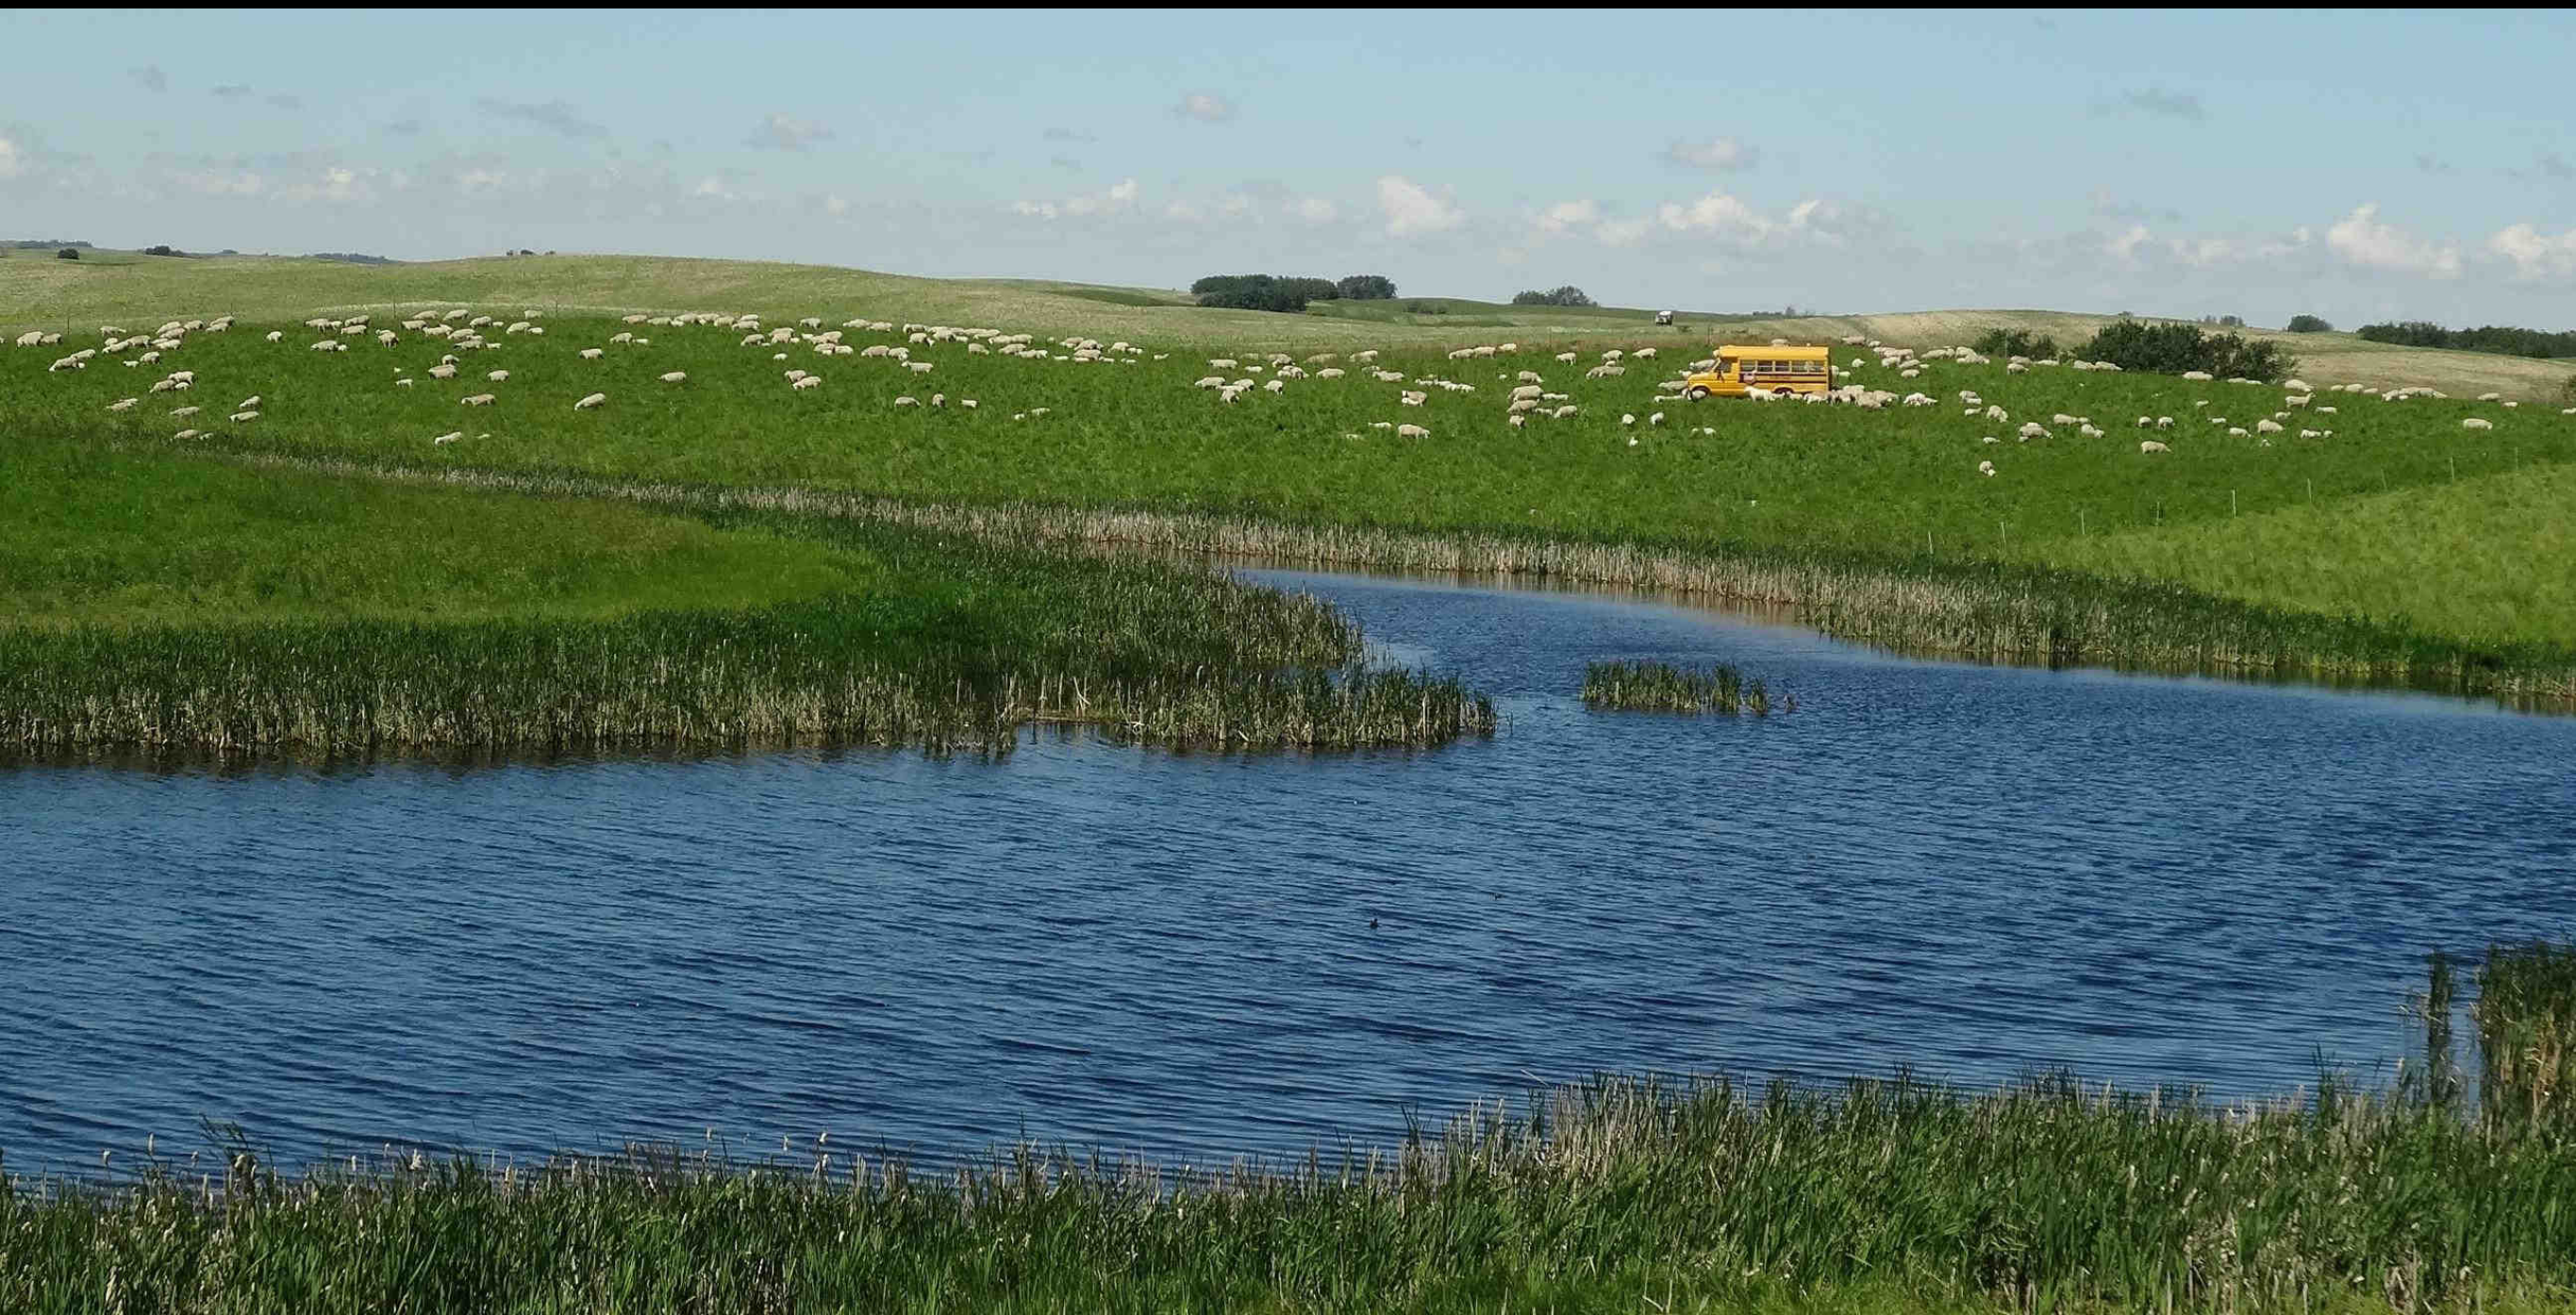

**Arlette Seib
Saskatchewan**

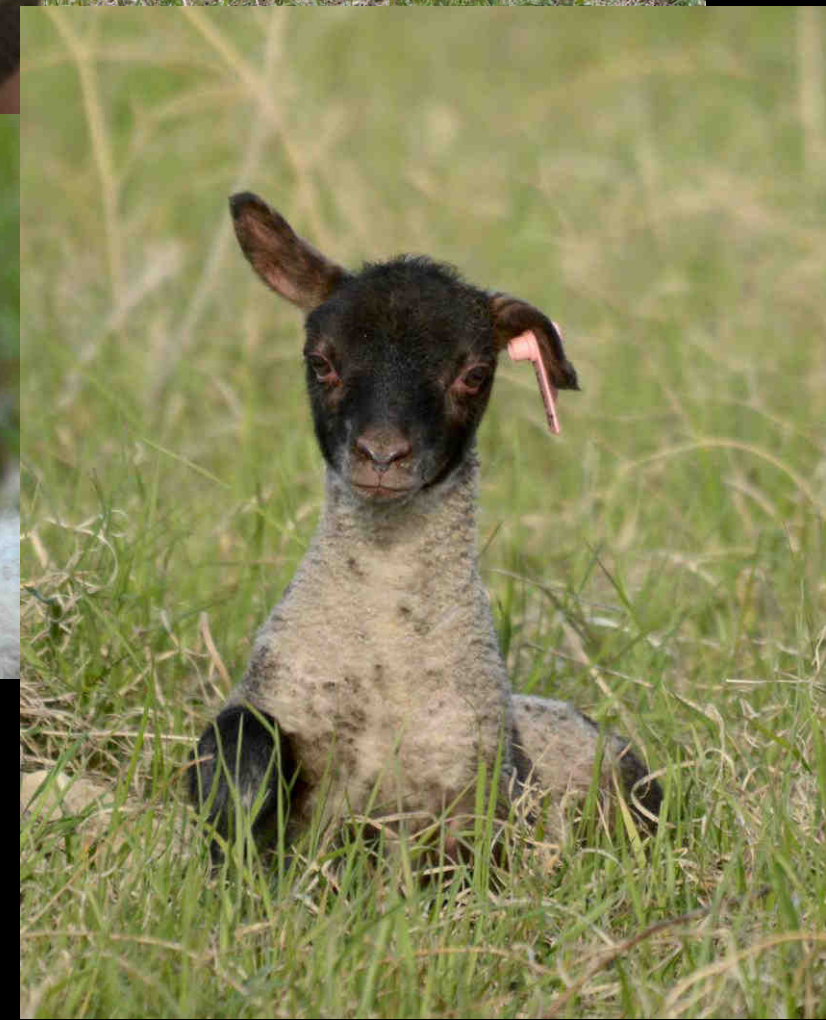

Rolling hills, grass and water

Pasture Lambing

Migrating and grazing for flock health

Stockpiled forage for late fall grazing

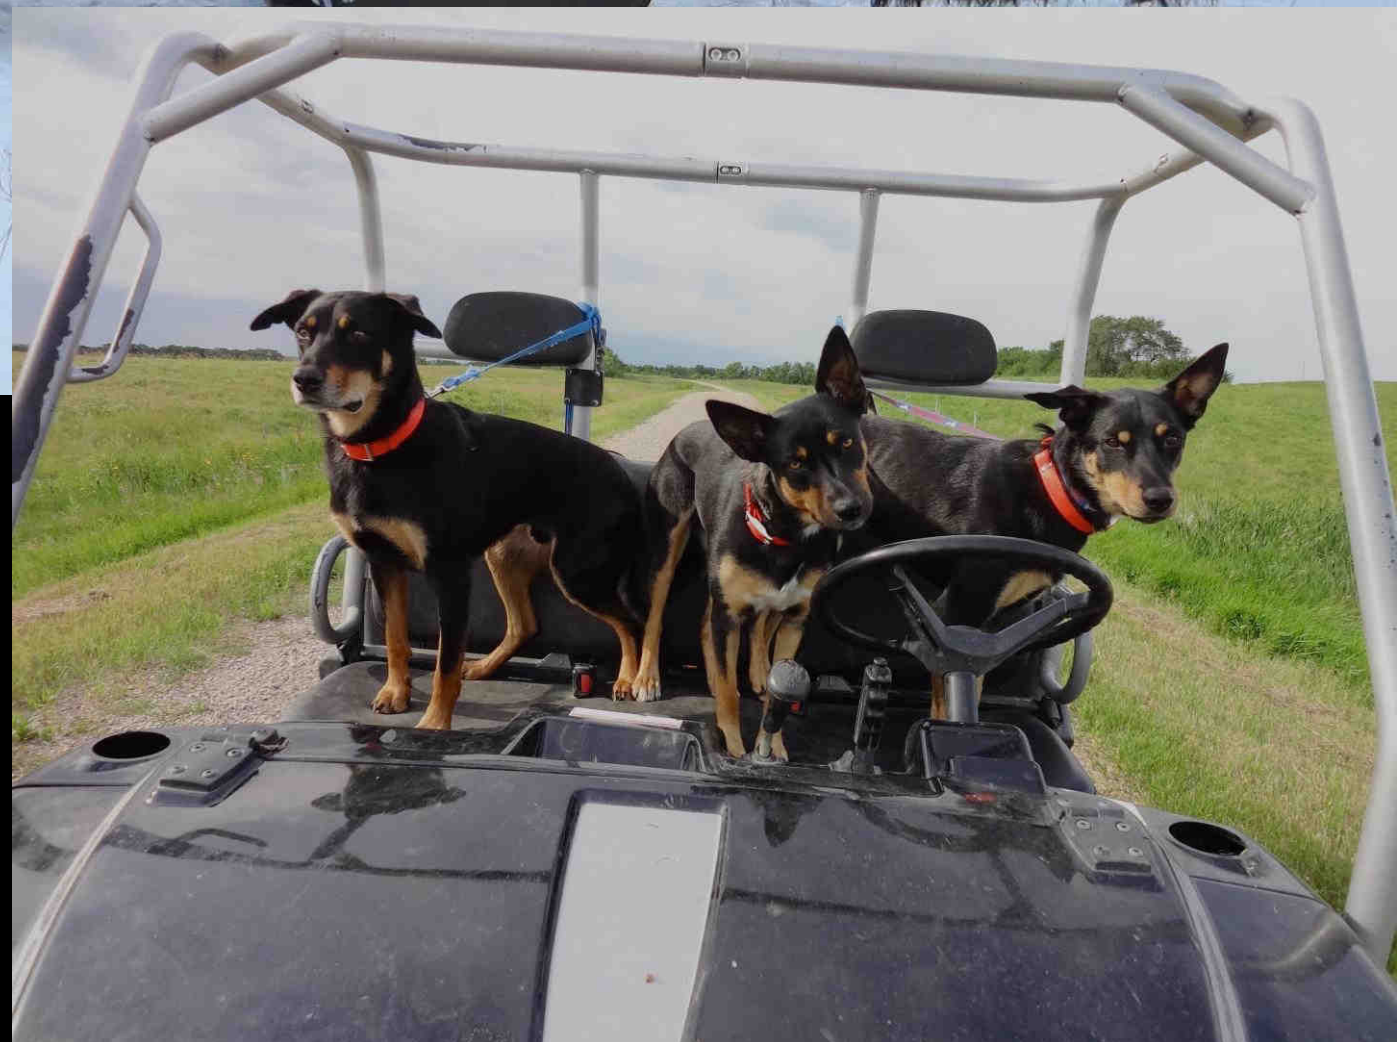

Winter Pasture

Our Ranch Equipment
Old Tractor
15' Seed drill
Side by side vehicle
working dogs

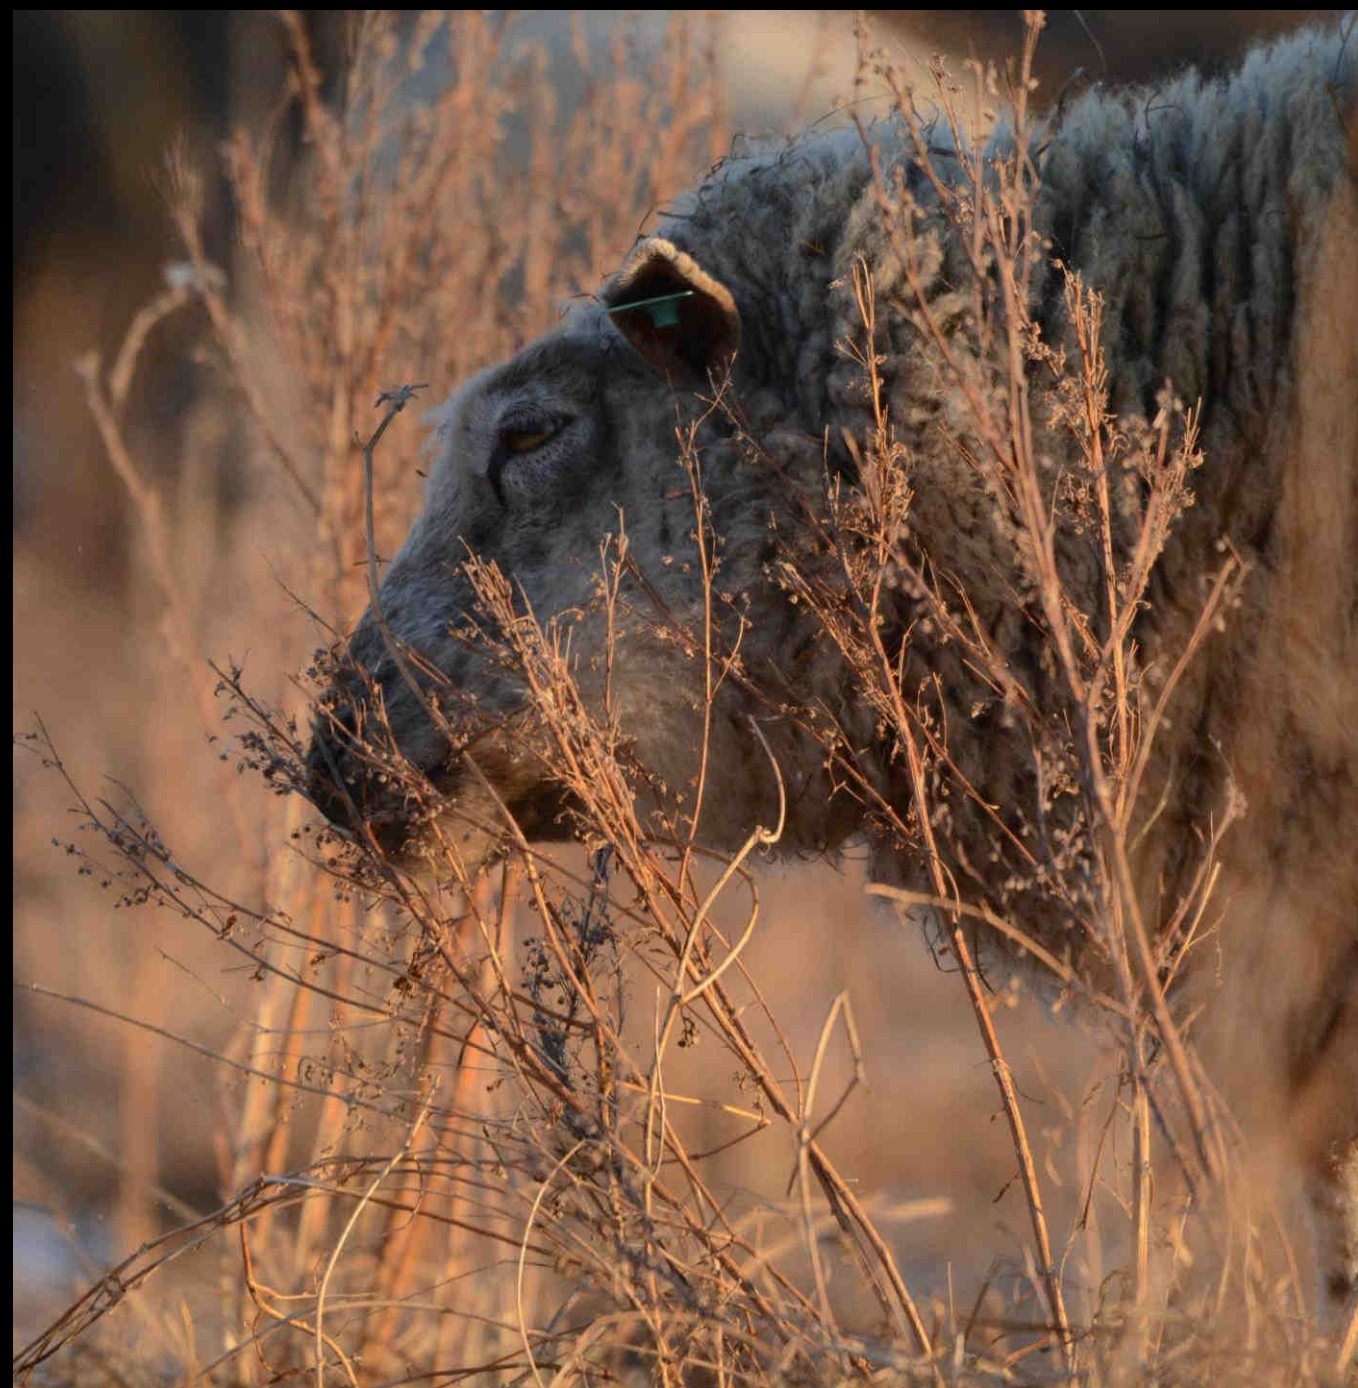

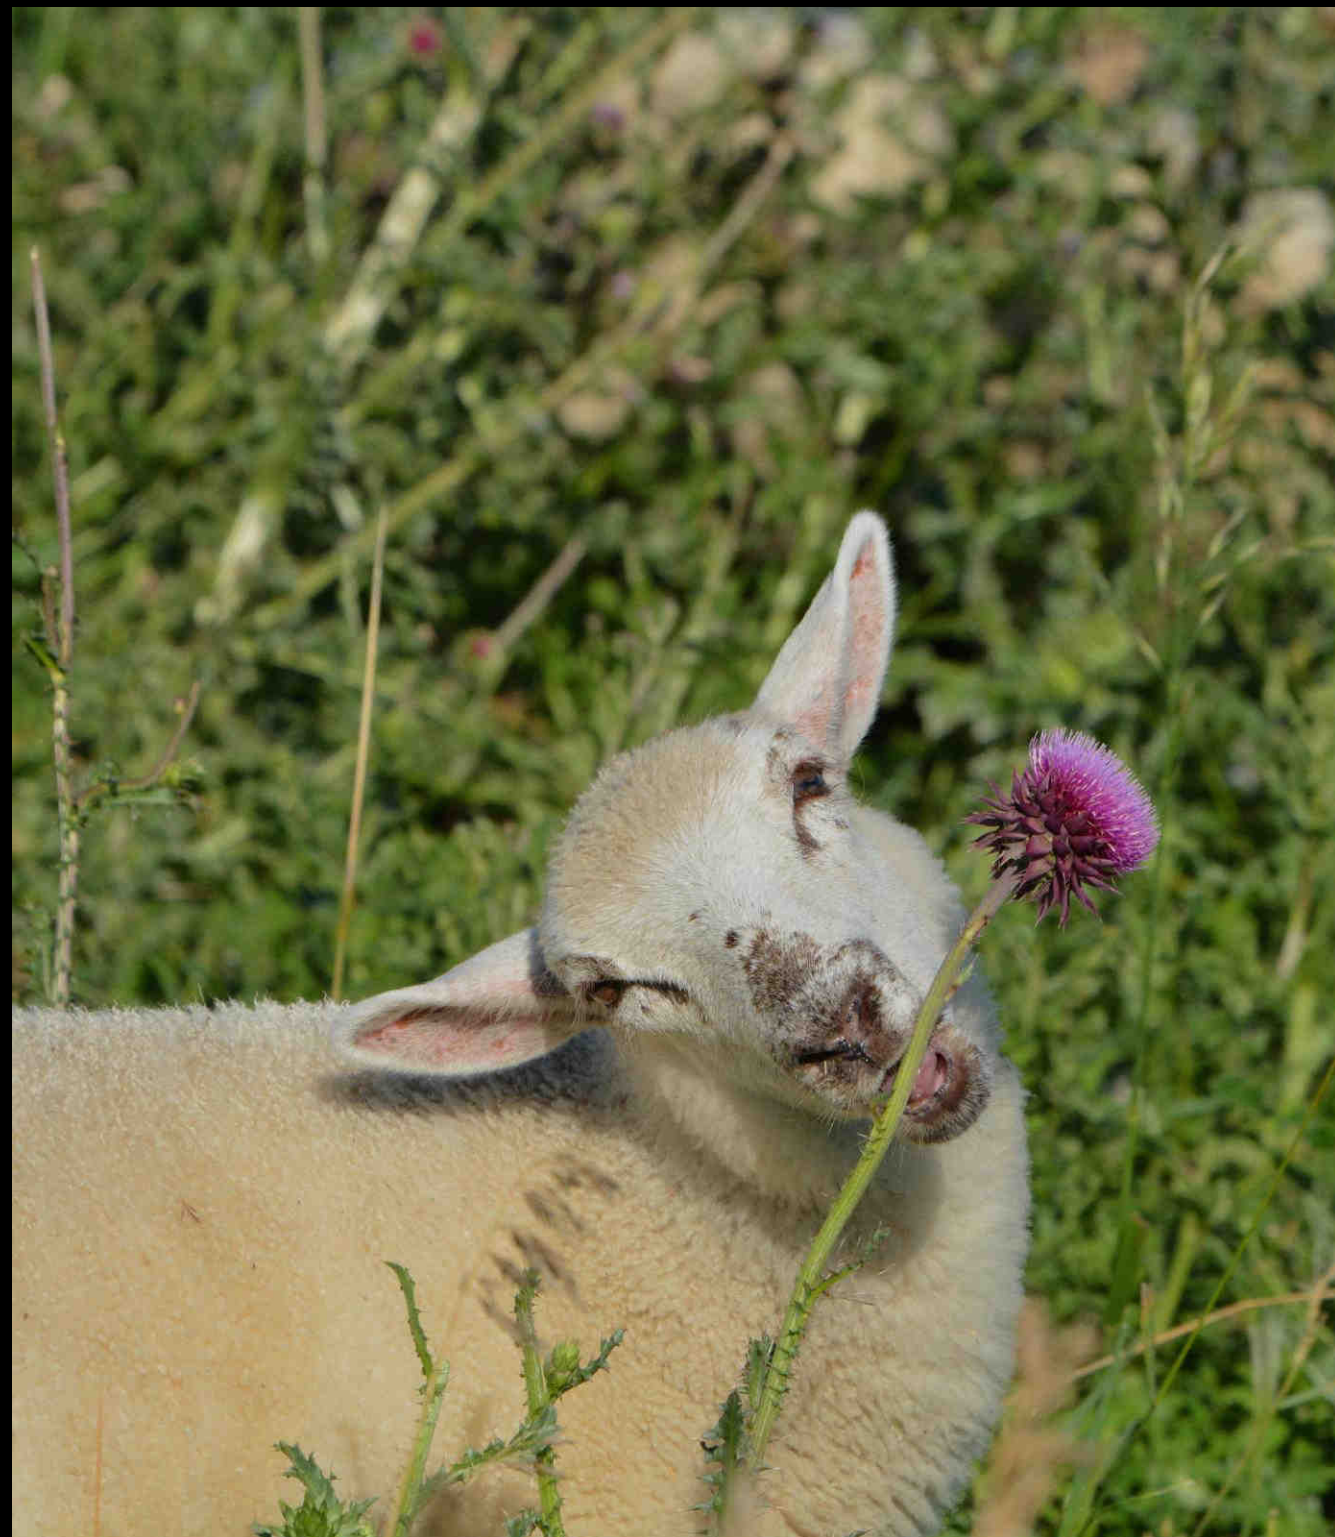

Seeded grazing pasture

Weeds?

Stock Dogs
For flock management

Guardian Dogs
Allow for co-existence

Land and animal are linked

When rose coloured glasses come off

Economic and environmental roles

Land and animal are link for humanity
