

Alberta EFP SAR Tool Technical Challenges

Paul Watson and François Blouin
Moncton, November 15, 2019

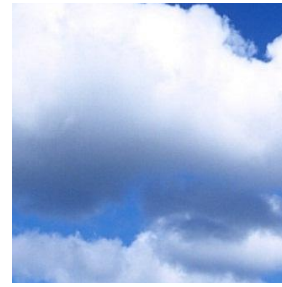

Technical Challenges

- Obvious - Data
 - Where are data?
 - What format?
 - Access (user agreement)?
 - Who will be custodian?...
 - Regional differences in BMPs / Habitat Types
- Less obvious – Experts / Web System / Confidentiality
 - Who?
 - Available? (Multiple reviews)
 - Skillsets (biology, GIS, web database)...
 - Transferability of web-based system and location of web server
 - Landowner confidentiality of data

Technical Challenges

- Other aspects:
 - Provincial Management Units (not all use Township system)
 - Review of Scores/Ranking
 - Species Ranking and Modifiers
 - Conservation Opportunity Score/Prioritization
